MEMORANDUM FOR: See Distribution

SUBJECT: BLACK SHIELD Status Briefing

This is a reminder that a preliminary BLACK SHIELD status briefing will be held in the Control Center at 1100 hours on 26 August 1965. The formal briefing will be held in the Center at 1430 hours same date. Each office having a chart should provide one person who can answer questions when they arise at both briefings. If any chart needs an explanation, please provide a short briefing note, preferably on a 3 X 5 card, so that the D/FA briefer can dispose of the details without causing unnecessary discussion at the 1430 briefing.
